

About Us

Established in 2008 in Jackson, Michigan, NCDG has grown into a leading property management company operating in Ohio, Indiana, California, and beyond. We are a comprehensive real estate services provider, taking care of all aspects, from property management to real estate sales, rentals, and leasing. Our commitment is to set the industry standard by transforming properties into valuable assets and connecting individuals with their ideal spaces.

Our Services

As your trusted property management partner, we handle it all from A to Z. Our comprehensive suite of services encompasses:

- Tenant Selection and Screening
- Rent Collection and Eviction Procedures
- Timely Maintenance and Repairs
- Round-the-Clock Emergency Maintenance Services
- Detailed Financial Reporting
- And much more...

Rest assured, we ensure your property works for you, delivering peace of mind and optimal returns.

What Sets Us Apart

At our property management company, we are committed to setting a new industry standard by offering unparalleled services. Our distinctive features include:

- A Dedicated Technology Team and Proprietary Software with weekly updates
- A Proprietary Mobile Application designed for Technicians and Property Inspectors
- A Specialized Billing and Collections Team
- An Exclusive Rental and Marketing Team
- A Dedicated Agent for Each Property
- An In-House Maintenance Team and Cost-Effective Vendor Contracts
- A Dedicated Evictions & Legal Team
- Extensive use of Automated Services, AI (Artificial Intelligence), and Cutting-Edge Technologies to elevate property management services closer to perfection.

Discover the difference with us.

For Owners

Experience comprehensive property management with our proprietary software, granting you:

- Detailed yearly and monthly statements and reports
- Access to maintenance and work order details
- Convenient access to financial documents, 1099s, and tax records
- Effortless, hassle-free direct deposit to your bank account
- Competitive fees

Your property management needs, simplified and streamlined.

For Tenants

Our tenants benefit from the convenience of cutting-edge technologies and experience the exceptional care provided by our property management company. They enjoy:

- Seamless online rent payments through Electronic Check or major credit cards (Visa, Mastercard, Discover, Amex).
- The option to set up automatic payments for added convenience.
- Automated reminders and notifications delivered via Email, SMS, and personalized phone calls.
- A Tenant Control Panel to effortlessly submit maintenance requests, repairs, and even request 'Emergency Maintenance Assistance' at their convenience.

We prioritize tenant satisfaction through technology-driven solutions.
